TERM 3 | WEEK 10 | 26 SEPTEMBER 2019

NEWSLETTER

PRINCIPAL'S NEWS

Dear Parents/Caregivers

Wow! It is so hard to believe another 10 weeks has flown by and we are at the end of yet another term.

Our learners have had another fantastic term.

Three of our learners participated in the tough guy/gal challenge. This is the biggest mud run event for our students. The weather was cold, the water was freezing and the mud was sticking, but never fear our learners toughed it out and demonstrated our values of team work, perseverance, fun and enjoyment.

This term we were lucky to have been given the opportunity to collaborate with the senior French class at Palmerston North Girls High, and were invited to a Mid-Winter Christmas themed celebration. The event provided the Year 13 students with a topic for their internal, where they had to describe and comment on a cultural event; thus the mid-winter Christmas fun! We participated in a range of activities including Petanque, Christmas cookie decorating and pin the nose on Rudolph. Each of our learners made a stocking to take home. French language was incorporated into each activity. We had a great time and hope to have the girls visit us early next term.

PRINCIPAL'S REPORT CONTINUED...

We have continued to work with Thelma and Carol our lovely volunteers that provide our learners with learning activities to support our enviro curriculum. Our learners have made pine cone bird feeders and puppets. We have planted a variety of plants to add to our garden, including strawberries and potatoes. The learners have now made scarecrows for our garden to avoid the unwanted damage that can be caused by our birdlife.

Lambs, calves and goats have been a big focus this term. We are rearing several lambs, goats and calves. This enables all our students on the roll to have an animal that they nurture and look after to participate in our Annual Ag Day on the 31st October 2019. The learners have learned about common diseases, vaccinations, docking, NAIT tags, grooming, care, attention, feeding regimes and ratios. It is so nice to arrive at school and see the school humming with all the animals.

Katy Marsh, Claire Gregory, Karen Lett and Rochelle Pratt

AGRICULTURAL DAY

This event will be held on Thursday the 31st October from 4pm onwards.

A notice will be sent home today regarding craft categories and entries. The children can start marking their craft entries at any time. They will need to be brought into the hall by 3pm on Thursday the 31st ready for judging. So get creating over the holiday period and have some fun!

Make sure that you spend lots of time with you're animal over the holiday period feeding, leading, bonding and caring for you're animal.

GARDENING

If anyone in the community could supply enough soil for 1.2 cubic metres for some garden beds at the school could you please contact the office on 063258871 or Katy on 0211137615.

Thank you.

NEWSLETTER ADVERTISING

We have advertising space available in our school newsletter and on facebook. The cost to have your business advertised for a year is \$150 including GST. If you would like to take up this opportunity please contact:

linton.office@gmail.com or phone 063258871
